

Colourful Insights into teams

Learning Insight is delighted to have been invited to showcase an internationally acclaimed communication tool which not only gets results but creates an entertaining, dynamic and unforgettable professional development experience.

This fun-filled, interactive workshop brings team members together as a more cohesive team by providing activities that facilitate cooperation, team-work, and appreciation for each person's contribution to the overall team goal. This simple workshop promotes self awareness and changes forever how we perceive, and relate, to others.

What's in this course for you?

The **COLOURFUL** metaphor demonstrated in this workshop can easily and quickly be used to:

- Build greater interpersonal acceptance
- Change the way we react and relate with others
- Improve relationships with colleagues and customers
- Recognise and enjoy the different working styles of your colleagues
- Promote optimal functioning of your team
- **Value talent and diversity**

True Colors™ (USA) has been used by hundreds of international companies like Ford, Pfizer, Kraft and Boeing, Microsoft and Disney to transform their interaction with customers and colleagues.

"...a wonderful contribution to relationships! From self discovery to getting along with others, "Showing our True Colors™" provides refreshing insights and practical suggestions for enhancing communication, reducing conflicts and understanding why people behave as they do."

John Gray, Author of "Women and from Mars, Women are from Venus"
