

Colourful Insights for educational leaders

Learning Insight is delighted to have been invited to showcase an internationally acclaimed communication tool which not only gets results but creates an entertaining, dynamic and unforgettable professional development experience.

As an educational leader you have the challenging role of engaging, motivating and developing your team whilst achieving workplace and educational goals.

This professional development explores the impact that your communication style has on group dynamic and on individuals. With the help of your Colour Insight cards and this simple workshop, you will see your leadership in a new light and recognise and enjoy personality differences in your team. What's more you'll leave the workshop energized, re-motivated and with new strategies to manage and lead your team.

What's in this workshop for you?

The **COLOURFUL** metaphor demonstrated in this workshop can easily and quickly be used to:

- Build greater interpersonal acceptance
- Change the way we perceive and react to others
- Improve relationships with your team, colleagues, parents, students and the community
- Promote and enjoy optimal functioning with your team
- Build capacity
- Explore your potential and that of others
- Value talent and diversity

True Colors™ (USA) has been used by hundreds of international companies like Ford, Pfizer, Kraft and Boeing, Microsoft and Disney to transform their interaction with customers and colleagues.

"...a wonderful contribution to relationships! From self discovery to getting along with others, Showing our True Colours provides refreshing insights and practical suggestions for enhancing communication, reducing conflicts and understanding why people behave as they do."

John Gray, Author of "Women and from Mars, Women are from Venus"
