

Colourful Insights for teachers and school staff

Learning Insight is delighted to have been invited to showcase an internationally acclaimed communication tool which not only gets results but creates an entertaining, dynamic and unforgettable professional development experience.

PERFECT FOR YOUR NEXT TEAM BUILDING AND PROFESSIONAL DEVELOPMENT DAY

This fun-filled, interactive workshop brings teachers, executive and support staff together as a more cohesive team – a team which recognizes and values individual difference. From this workshop you can expect to build capacity, facilitate cooperation and team-work, and enhance appreciation for the individual contributes to the overall team goal. This simple workshop promotes self awareness, fosters team work and changes forever how we perceive, and relate, to others.

What's in this course for you?

The **COLOURFUL** metaphor demonstrated in this workshop can easily and quickly be used to:

- Build inter-team relationships and greater interpersonal acceptance
- Revitalise and change the way we react and relate with others
- Establish community links and cooperative relationships with colleagues, students, and parents
- Recognise and enjoy the different working styles of your colleagues
- Promote optimal functioning of your team
- **Value talent and cater for diversity**

True Colors™ (USA) has been used by hundreds of international companies like Ford, Pfizer, Kraft and Boeing, Microsoft and Disney to transform their interaction with customers and colleagues.

"...a wonderful contribution to relationships! From self discovery to getting along with others, "Showing our True Colors™ [US]" provides refreshing insights and practical suggestions for enhancing communication, reducing conflicts and understanding why people behave as they do."

John Gray, Author of "Women and from Mars, Women are from Venus"
