

## MAKING TRAINING FUN

This workshop is for trainers and educators who would like to grow their repertoire of training and learning activities.

It caters specifically for classroom trainers and offers a range of ideas and practical activities that can easily be tailored for your subject matter and to engage your learners.

You'll have opportunities to network and share ideas with like-minded trainers; you'll renew your own energy, inspiration and sense of optimism; you'll have fun! This workshop is particularly suitable for classroom trainers working in the "soft skill" areas.

**Target audience:** classroom trainers, educators and teachers who work in an adult or adolescent learning environment.

This is the one of a series of professional development programs from the suite of workshops presented by Learning Insight for teachers, trainers and educational leaders.
